## Buying a boat remotely?

Buying a boat online can be *challenging*.

While most listings are accurate, sellers may unintentionally *overlook details crucial to a buyer*.

*Traveling* to inspect multiple vessels can be *expensive and time-consuming*. A pre-purchase survey is invaluable, but the cost can be significant, especially if the boat isn't suitable.

Tri-State Marine Services offers a **tiered approach** to boat surveys, allowing you to assess a vessel incrementally and **manage your risk**. You can **stop at any stage** if the findings aren't what you expect.

*Peace of mind before you buy!*
